

6127 Summer Fest Dr, San Antonio, TX 78244 – Ph: (210) 473-2698- Email: connect@saprep.org

January 9, 2024

Dear Parents:

San Antonio Preparatory School is sharing this information about the district and your child’s campus with you as part of its obligations under the federal Every Student Succeeds Act of 2015 (ESSA).

Federal Report Cards for the state, the district, and each of the district’s campuses are now available on the district’s website at this link: www.saprep.org or are also available on the Texas Education Agency’s website at: <https://tea.texas.gov/texas-schools/accountability/academic-accountability/performance-reporting/federal-report-cards>.

The information on these report cards includes:

Part (i): General Description of the Texas State Accountability System

- (I) the minimum number of students that the State determines are necessary to be included in each of the subgroups of students for use in the accountability system;
- (II) the long-term goals and measurements of interim progress for all students and for each of the subgroups of students;
- (III) the indicators used to meaningfully differentiate all public schools in the State;
- (IV) the State’s system for meaningfully differentiating all public schools in the State, including—
 - (aa) the specific weight of the indicators in such differentiation;
 - (bb) the methodology by which the State differentiates all such schools;
 - (cc) the methodology by which the State differentiates a school as consistently underperforming for any subgroup of students; and
 - (dd) the methodology by which the State identifies a school for comprehensive support and improvement;
- (V) the number and names of all public schools in the State identified by the State for comprehensive support and improvement or implementing targeted support and improvement plans;
- (VI) the exit criteria established by the State, including the length of years established.

Part (ii): Student Achievement by Proficiency Level

This section provides information on student achievement on the STAAR (State of Texas Assessments of Academic Readiness) performance for mathematics, reading/ELA, and science by grade level and proficiency level for the 2022-23 school year. These results include all students tested, regardless of whether they were in the accountability subset.

Part (iii)(I): Academic Growth

This section provides information on students’ academic growth for mathematics and reading/ELA for public

San Antonio Preparatory School provides a college preparatory education through high-quality instruction and rigorous curriculum inside a challenging and supportive learning environment, ensuring all students in grades 5-12 graduate from college and succeed in the careers of their choice.

6127 Summer Fest Dr, San Antonio, TX 78244 – Ph: (210) 473-2698- Email: connect@saprep.org

elementary schools and secondary schools without a graduation rate, for the 2022-23 school year. These results include all students tested, regardless of whether they were in the accountability subset.

Part (iii)(II): Graduation Rate

This section provides information on high school graduation rates for the class of 2022.

Part (iv): English Language Proficiency

This section provides information on the number and percentage of English learners achieving English language proficiency based on the 2023 Texas English Language Proficiency Assessment System (TELPAS) data.

Part (v): School Quality or Student Success (SQSS)

This section provides information on school quality or student success, which is college, career and military readiness (CCMR) for high schools and average performance rate of the three STAAR performance levels of all students, regardless of whether they were in the accountability subset, for elementary and secondary schools without a graduation rate.

Part (vi): Goal Meeting Status

This section provides information on the progress of all students and each student group toward meeting the long-term goals or interim objectives on STAAR academic performance, federal graduation rate, and English learners' language proficiency. (Not applicable to district and state report cards)

Part (vii): STAAR Participation

This section provides the percentage of students assessed and not assessed on STAAR for mathematics, reading/ELA, and science for the 2022-23 school year.

Part (viii): Civil Rights Data

Part (viii)(I): The section provides information from the 2020-21 Civil Right Data Collection (CRDC) surveys, submitted by school districts to the Office for Civil Rights, on measures of school quality, climate, and safety, including counts of in-school suspensions, out-of-school suspensions, expulsions, school-related arrests, referrals to law enforcement, chronic absenteeism (including both excused and unexcused absences), incidences of violence, including bullying and harassment.

Part (viii)(II): This section provides information from the 2020-21 CRDC surveys, submitted by school districts to the Office for Civil Rights, on the number of students enrolled in preschool programs and accelerated coursework to earn postsecondary credit while still in high school.

Part (ix): Teacher Quality Data

This section provides information on the professional qualifications of teachers, including information disaggregated by high- and low-poverty schools on the number and percentage of (I) inexperienced teacher, principals, and other school leaders; (II) teachers teaching with emergency or provisional credentials; and (III) teachers who are not teaching in the subject or field for which the teacher is certified or licensed.

Part (x): Per-pupil Expenditure

6127 Summer Fest Dr, San Antonio, TX 78244 – Ph: (210) 473-2698- Email: connect@saprep.org

This section provides information on the per-pupil expenditures of federal, state, and local funds, including actual personnel expenditures and actual non-personnel expenditures, disaggregated by source of funds, for each school district and campus for the preceding fiscal year.

To be updated by June 30th, 2024.

Part (xi): STAAR Alternate 2 Participation

This section provides information on the number and percentage of students with the most-significant cognitive disabilities who take STAAR Alternate 2, by grade and subject for the 2022-23 school year.

Part (xii): Statewide National Assessment of Educational Progress (NAEP)

This section provides results on the state academic assessments in reading and mathematics in grades 4 and 8 of the 2022 National Assessment of Educational Progress, compared to the national average of such results.

Part (xiii): Cohort Rate of Graduates Enrolled in Postsecondary Education

This section provides information on the cohort rate at which students who graduated from high school in the 2020-21 school year enrolled in the 2021-22 academic year in (I) programs of public postsecondary education in Texas; (II) programs of private postsecondary education in Texas; and (III) programs of postsecondary education outside Texas.

Part (xiv): Additional Information – Chronic Absenteeism

This section provides information on the Chronic Absenteeism per EDFacts definition: percent of unduplicated number of K – 12 students enrolled in a school for at least 10 days and absent for 10% or more days during the 2021-22 school year.

If you have difficulty accessing the information from the website, hard copies of the reports are available at the district or campus office. If you have questions about the information, please contact 210-473-2698.

Meeting to discuss the campus report will be held on February 2, 2024 at 6 p.m.

Sincerely,

Dr. Shwanda Onwuachi – Robinson

Principal

San Antonio Preparatory School

State ESSA Goals (HS/K-12 & AEA)												
		All Students	African American	Hispanic	White	American Indian	Asian	Pacific Islander	Two or More Races	Econ Disadv	Special Educ	EL (Current & Former)
	2027-28 through 2031-32											36%
	2032-33 through 2036-37											38%

State ESSA Goals (Elementary Schools)												
		All Students	African American	Hispanic	White	American Indian	Asian	Pacific Islander	Two or More Races	Econ Disadv	Special Educ	EL (Current & Former)
	2022-23 through 2026-27											49%
	2027-28 through 2031-32											51%
	2032-33 through 2036-37											53%
	2037-38											55%

Part (i)(III) the indicators used to meaningfully differentiate all public schools in the State:

- a. Academic Achievement Indicator: STAAR Performance Status (Percent at Meets Grade Level or Above)
- b. Other Academic Indicator for Non-High Schools: STAAR Growth Status
- c. Graduation Rate: Federal Graduation Status
- d. ELP Indicator: English Learner Language Proficiency Status
- e. School Quality or Student Success (SQSS) Indicators: College, Career, and Military Readiness for High Schools and K-12s; Student Achievement Domain Score: STAAR only for All Other Schools without Annual Graduates

Part (i)(IV) the State's system for meaningfully differentiating all public schools in the State, including --
(aa) the specific weight of the indicators in such differentiation

Campus Type	Indicator	Weight
Elementary and Middle Schools	Academic Achievement	30%
	Other Academic Indicator	50%
	English Learner Language Proficiency	10%
	SQSS: Student Achievement Domain Score: STAAR Component Only	10%
High Schools, K-12s, and AEAs	Academic Achievement	50%
	Federal Graduation Status or Academic Growth Status ¹	10%
	English Learner Language Proficiency	10%
	SQSS: College, Career, and Military Readiness or Student Achievement Domain Score: STAAR Component Only ²	30%

¹ If Federal Graduation Status is not available, Academic Growth Status is used.

² If College, Career, and Military Readiness is not available, Student Achievement Domain Score: STAAR Component Only is used.

(bb) the methodology by which the State differentiates all such schools. Total points for each component are determined by multiplying the percentage of evaluated indicators met by the corresponding weight and rounding to

one decimal place. The Closing the Gaps domain score is the sum of the total points rounded to the nearest whole number and is further used to differentiate all public schools. See the accountability manual for details. Chapter 4-2023 Closing the Gaps Domain

(cc) the methodology by which the State differentiates a school as consistently underperforming for any subgroup of students. Texas uses the Closing the Gaps domain to identify campuses that have consistently under-performing student groups. A student group that misses the targets in at least the same three indicators, for three consecutive years, is considered 'consistently underperforming'. Any campus not identified for Comprehensive Support and Improvement (CSI) that has at least one consistently underperforming student group is identified for Targeted Support and Improvement (TSI). TSI identifies both Title I and non-Title I campuses. Data from 2019, 2022, and 2023 are considered consecutive years for 2023 TSI identification. See the accountability manual for details. Chapter 10-2023 Identification of Schools for Improvement

(dd) the methodology by which the State identifies a school for comprehensive support and improvement. Texas annually ranks all Title I campuses based on Closing the Gaps scaled scores. First, Texas determines the bottom five percent of Closing the Gaps outcomes by rank ordering the scaled scores of Title I campuses by schooltype - elementary, middle, high school/K-12, and alternative education accountability. Texas then determines which campuses fell in the bottom five percent for each school type. Title I campuses that rank in their school type's bottom five percent are identified for CSI. Any Title I campus identified for Additional Targeted Support (ATS) for three consecutive years will be identified for CSI the following school year.

Part (i)(V) the number and names of all public schools in the State identified by the State for comprehensive support and improvement or implementing targeted support and improvement plans. Campuses Identified for Support under the Every Student Succeeds Act (ESSA) for the 2022-2023 school year: Comprehensive Support and Improvement Schools , Targeted Support and Improvement Schools and Additional Targeted Support Schools .

Part (i)(VI) the exit criteria established by the State, including the length of years established. Campuses that do not rank in their school type's bottom five percent of the Closing the Gaps domain for two consecutive years and have Closing the Gaps domain scaled score by the end of the second year that is higher than when originally identified are considered as having successfully exited. Campuses previously identified as CSI based solely on a graduation rate must have a four or six-year federal graduation rate of at least 66.7 percent for two consecutive years to exit CSI status.
